Find out if you are eligible for financial assistance that can help you stay healthy and help pay for basic expenses, or support children in your care.

Explore the Benefits QuickLINK site to learn more!

Benefits QuickLINK is an online program that makes it easier for older Americans to find out if they qualify for 15 very important public benefits.

Benefits QuickLINK can help:

- Ohioans with limited incomes find and get applications for public benefits.
- Grandparents raising grandchildren find public benefits for families with children.
- Sons and daughters help their parents find public benefits in Ohio.

How does it work?

1. Go to www.aarp.org/quicklink
2. Answer a short list of questions
3. Get fact sheets, applications, websites, and local agency contact information
